**Final length of post production video is generally from one to two hours, sometimes more. Pricing reflect total hours of coverage and time spent in post production editing the video for a professional presentation. Uncut, archived video is available upon request, but McRae Designs will provide no support for its use or quality in any way. Event DVD videos are personalized with a full color case direct printed label (no flimsy stickers).

All contracts are binding and final. Should you change your mind you will forfeit your non-refundable deposit.
